### LOOPS MURDER NOOSE AROUND HIS OWN NECK TO ILLUSTRATE STORY

By Order of Judge the Court Is Cleared of Women and Children at Afternoon Session Owing to Revolving Testimony Given by Conley—Dr. Roy Harris, It Is Understood, Will Be Closing Witness Summoned by the Prosecution.

The long-looked-for sensation in the Leo A. Frank trial came Monday morning when Jim Conley, the negro sweeper formerly employed at the National Pencil factory, took the stand and told a revolting as well as dramatic story of what he claims to know of the murder of little Mary Phagan.

Following the telling of this story, parts of which can only be hinted at, Conley was placed under cross-examination by Luther Rosser. For five hours the negro sweeper, who had been on the stand for the defense, roared and coaxed and coaxed and used every tactic known to the legal profession to break down the fabric of the story and to tear the tale to tatters.

He succeeded in confusing the negro as to minor details only. To fail to shake the foundation of the main story—which was that, on Saturday, April 25, Leo M. Frank had asked him to "look out" for him while he "chatted" with a young woman; that later Frank had asked him to hold him while the girl had "refused him" and that he had struck her. He then described seeing the body of the girl lying on the floor near her machine with a cord and a piece of cloth around her neck. She was dead.

### SENATE WAITING FOR HOUSE BILL

Will Start Work on Revision When Sheppard Substitute Is Transmitted—No Reconsideration.

There was no reconsideration of the Sheppard substitute by the house yesterday and the bill should be introduced in time to be transmitted to the senate today.

Chairman Miller, of the senate finance committee, said that his committee was waiting for the bill and would go to work on it just as soon as it is obtained from the house. It all depends now on the time required to copy the bill by one of the engrossing clerks of the house, and there seems to be no reason why the measure may not reach the senate today.

In speaking on the subject of tax reform, Senator Miller said: "It has not yet been determined whether or not the house bill will be simply amended or passed by substitute in the senate. It will not go through the finance committee without some provision being made for a tax commission or some form of state board to supervise tax returns of the nation. I do not believe that the senate will accept a bill that makes no better provision for equalization than merely county boards of equalizers."

### Metes to Reconsider Withdrawal

When the house met yesterday morning Representative McMichael, of Marion, who had given notice of a motion to reconsider the Sheppard measure, asked the unanimous consent of the house to withdraw his motion so that the bill might be transmitted to the senate earlier. His motion was granted and there was no further action made to reconsider the bill.

An effort will be made to have the senate finance committee adopt the amendments of Mr. McMichael and Mr. C. E. W. HERRMAN, section director.

### RATE CASES ON BY GEORGIA TOWNS

Freight Rates to LaGrange, Carrollton and Vienna Declared Unjust—Will Cost Railroads \$44,000,000 Year.

Washington, August 4.—(Special.)—The Interstate Commerce Commission today in a decision declared the rates for freight on coal, iron ore and other commodities to LaGrange, Carrollton and Vienna, Ga., to be unjust and excessive.

The decision of the commission is a landmark in the history of the interstate commerce commission. It is the first time that the commission has declared rates to be unjust and excessive. It is also the first time that the commission has declared rates to be excessive.

### How Atlanta Is Affected By the New Express Rates

By John Corrigan, Jr. Washington, August 4.—(Special.)—The new express rates from Atlanta to a selected list of cities, ordered by the interstate commerce commission, to become effective October 15, will undoubtedly be used as an argument for further reducing the parcel post rates.

It is pointed out that with five years the express companies will have been abolished entirely. The figures given below are a comparison of the present parcel post rates, present express rates and new express rates for packages weighing one, five and ten pounds.

From Atlanta To	Parcel Post	Express	New Express
Jacksonville, Fla.	1.00	1.50	1.25
Chicago, Ill.	1.00	1.50	1.25
St. Louis, Mo.	1.00	1.50	1.25
Nashville, Tenn.	1.00	1.50	1.25
New Orleans, La.	1.00	1.50	1.25
Augusta, Maine	1.00	1.50	1.25
Portland, Me.	1.00	1.50	1.25
Boston, Mass.	1.00	1.50	1.25
Duluth, Minn.	1.00	1.50	1.25

The new limit for parcel post packages is twenty pounds, but this increase was ordered after the interstate commerce commission had made up its mind to abolish the express companies and these are not carried beyond the former eleven-pound parcel post limit.

## SOUTH'S BANKERS INVITED BY M'ADOO

Secretary Wants to Confer  
About Distribution of Federal \$50,000,000—Bankers of Atlanta Are Invited.

Washington, August 4.—Representative bankers of fifty-nine large cities in the agricultural regions of the south, middle west and Pacific coast were invited by Secretary McAdoo today to come to Washington to confer with the treasury department regarding the distribution of \$50,000,000 of government funds about to be deposited in the national banks or in other institutions for the marketing and movement of the crops.

**Step Unprecedented.**  
The unprecedented step, which will call Washington bankers from the centers that will finance the handling of the great crops from the harvest, is designed to give the secretary first hand information and advice as to the specific and relative needs of each of the farming districts.

It has been tentatively decided to place the deposits in the fifty-nine cities to be represented at the conference. Invitations were sent by telegraph to the presidents of the clearing house associations in each of the cities asking them to send representatives or committees to Washington to discuss arrangements for depositing the big sum.

The conference with the representatives from the southern cities will be held at the treasury department Thursday August 7, with those from the Pacific coast on Thursday August 14.

# SELLING COTTON ON RAIN REPORTS

New Low Records for Movement Recorded—January Sold Under 11 Cents—Spot Cotton Quiet.

New York, August 4.—Interest in the cotton market today again centered largely around the weather situation in Texas. Early private reports of further rain started a selling movement at the opening, which forced prices off partially all points under yesterday's close. Although several spot houses were heavy buyers on the decline, the offerings, which included a renewal of hedge selling from the eastern belt, where crop prospects are said to be magnificent, bore the market off to new low records for the present downward movement, January selling under 11 cents.

The entire list of new crop positions at one time sold ten to twelve points under yesterday's close. The arrival of the Texas weather details at noon, however, threw quotation for a moment, and the market was again forced to sell off to new low records for the present downward movement, January selling under 11 cents.

The official forecast was for fair weather in all parts of the belt. While unfavorable for Texas and Oklahoma, this was regarded as satisfactory for eastern states, which have had almost too much rain of late.

Spot cotton quiet, middling upland, 12.00; do. good, 12.25; no sale.
